THERE'S A THOUSAND REASONS TO CHOOSE OCEAN BOTTLE
A BOTTLE
FOR LIFE

ONE FOR ONE **THOUSAND**

Every Ocean Bottle funds the collection of 11.4kg**/25lbs** of ocean-bound plastic, equivalent to **1000** plastic bottles.

Our award-winning sustainable design, 10 year warranty and spare parts for life programme means our reusable products won't get put on the shelf.

An Ocean Bottle product shows the world that its owner is part of a community of people doing good for the ocean and a reminder or the impact created.

HOW IT WORKS

1. Funding plastic collection with every product sold

2. Collectors exchange plastic for money and get access to social resources such as healthcare and education.

3. Ocean-bound plastic is sorted and recycled into new products or co-processed into cement

4. Bespoke impact dashboards for our customers, to show them exactly where they've made a difference

5. Every product is tech-enabled with a NFC chip, allowing consumers to connect to the Ocean Bottle app.

The Ocean Bottle app keeps on giving

Register your bottle after purchase and Ocean Bottle will collect even more ocean-bound plastic every time you refill, as well as hooking you up with local refill spots.

WE HAVE ALREADY MADE A HUGE IMPACT IN THE COMMUNITIES WE SERVE AND BEYOND.

MADE FROM WASTE, TO END WASTE.

We believe that Circular Design can save the world.

Circular Design is workable solution at a time when the world desperately needs solutions. We create products made with recycled materials, designed to last and fully recyclable. We work to a simple yet immensely challenging rule of 100-10-100. Any product created can only be justified if it's trying to or helping to achieve 100% recycled content, designed for at least 10 years use and then 100% recyclable at the end of it's useful life.

1. **Make from recycled materials.**
2. **Design to last.**
3. **Ensure 100% recyclable.**
